

Matching Gifts

Matching gifts are a great way to double the funds you raise. Follow these simple steps to ensure you are maximizing your fundraising efforts.

- **Step 1:** Ask your employer if the company has a matching gift program; ask your donors if their company has a matching gift program
- **Step 2:** Complete the required paperwork for your company; note that each company has their own form. Make sure your donors have completed any required paperwork as well.
- **Step 3:** Email marathonteam@bwh.harvard.edu the confirmation email or document that a matching gift was submitted from 'X' company, in the amount of '\$X' from 'X' employee/donor. If a confirmation document was not received, please have the donor email the Brigham with the above information confirming they submitted the request.
